IMPORTANT CONSUMER NOTICE

Due to the instability of the current price of diesel fuel, there may be a price increase to your original quote. Auto Shipping Group Inc. will contact you first to advise you of the increased cost. Choosing this option will ensure your vehicle will be transported in a timely manner. However, you will always have the option to continue looking for a carrier at the original quoted price with the understanding that it will most likely take longer than originally anticipated. You do have the option to cancel your order without cost or obligation.

1. Auto Shipping Group Inc. agrees to have vehicle(s) described on quotation shipped on or about the dates requested. Auto Shipping Group Inc. will find a licensed Carrier (agent) to fulfill the terms and conditions of this agreement. Auto Shipping Group Inc. does not guarantee a specific pickup or delivery date. The normal pick up time frame is 1 to 10 business days.

2. This order is subject to all terms and conditions of the Carrier's bills of lading, copies of which are available at the office of Carrier and are incorporated herein.

3. Carrier's responsibility begins when the shipper or his agent signs the bill of lading at pickup, and terminates when the shipper or his agent signs the bill of lading at delivery. Auto Shipping Group Inc. must be notified, should the shipper be unavailable for pickup or delivery, and his agent must be designated at that time. If a carrier is sent out and vehicle cannot be picked up there will be an additional \$75.00 rescheduling fee.

4. Auto Shipping Group Inc. hereby notifies shipper that their vehicle will be driven on and off the transporter, or to and from the transporter at the pickup or delivery site. Should the carrier be unable to access either site, this does not relieve the consignee from making a reasonable effort to meet the truck at a suitable location. In order to fully deliver your vehicle you must be willing to travel up to 5 miles from the designated pickup or delivery point.

5. Unlike numerous other shippers, we do not require any money from you until the day your vehicle is loaded on to the carrier. At the time you place your order, a credit card or check is provided to be kept on file. Your credit card will be authorized at the time you place your order. A fee of 30.00 per 1000 charged will be applied to All credit card transactions. The check will be processed the day of pick up. On the date your vehicle is scheduled to be loaded on to the carrier, we will process that payment for the deposit. The balance is due at delivery with cash or cashier check directly to the carrier. ***Please ask about our offshores, overseas, or out of country payment policy.***

6. Auto Shipping Group Inc. does not guarantee transport by any specific driver/carrier.

7. If you are shipping an inoperable vehicle, you may be required to help load and unload said vehicle at the discretion of the driver. Should vehicle(s) become inoperable during transport, \$150.00 will be due at time of delivery in addition to any other moneys owed. It is shipper's responsibility to make sure vehicle is in proper working order. Problems, such as but not limited to, a dead battery, bad alternator, loose cables, etc that makes the vehicle inoperable during transport will increase the transport price by \$150.00.

8. Auto Shipping Group Inc. or its agents will not knowingly transport vehicles with personal or household items in the passenger or trunk compartment. Federal regulation prohibits Auto Shipping Group Inc. or its agents from doing so. If such items are shipped unbeknown to Auto Shipping Group Inc. or its agents, such items become the sole responsibility or the shipper. Should damage occur in your car you will be subject to additional fees at the discretion of the transporting company. This is Federal Law and under no control of Auto Shipping Group Inc..

9. Auto Shipping Group Inc. or its agents will not be responsible for vandalism, acts of God (fire, flooding, hail, sand storm, tornadoes, earthquakes) or objects flying from the road or sky during transport. Shippers should maintain their own insurance for these reasons. Enclosed transport is available at a higher price if necessary to ensure the condition of the vehicle.

10. Shipper is responsible for preparing the vehicle(s) for transport, all loose parts fragile or protruding accessories, low hanging spoilers, fog lights, antennas, etc., must be removed and/or properly secured. Any part that falls off in transit is shipper's responsibility, including damages done by said part to any and all vehicles involved.

11. If damage should occur, all moneys owed for transport must be paid to initiate a claim. Damage must be noted in the proper place on the bill of lading, and signed by driver and shipper, regardless of weather, or time of day. Signing the bill of lading without any notation of damage verifies that shipper or his agent has received the said vehicle in good condition, and that Auto Shipping Group Inc. and its agents are relieved of any further responsibility. Shipper or his agent MUST check vehicle thoroughly.

12. Auto Shipping Group Inc. and its agents must also be notified of any damage by phone within 24 hours. Shipper must submit in writing a description of damage, clear pictures, and 2 estimates within 10 days of receipt of said vehicle directly to the designated carrier for any resolution to be initiated. Auto Shipping Group Inc. will support you in this effort should such a problem occur, but in no way will Auto Shipping Group Inc. accept responsibility for any negligence of the assigned carrier. If your vehicle is valued at a higher than market rate, we suggest you purchase a special insurance rider OR pursue the enclosed transport option.

13. Shipper specifically waives any right to judicature of this matter at any other location. Auto Shipping Group Inc. can only be liable for up to the amount of the deposit located on your quotation. In no case can Auto Shipping Group Inc. be held liable for the designated carrier's damage. Auto Shipping Group Inc. will provide carriers insurance certificate and carrier information should any controversy arise.

14. If you place an order with us, you have the option to cancel any time prior to your vehicle being assigned to a transporter you will be charged a \$75.00 administration fee, the remainder of your scheduling fee will be refunded (minus transaction fees if a credit card is used for deposit). If your vehicle is booked on a transporter before you fax or email your cancellation, you will lose the amount of the deposit. If you cancel your order prior to assignment of a Carrier you will receive a FULL refund of all monies paid to Auto Shipping Group Inc. and no more. It is Auto Shipping Group Inc.'s goal to only get paid if we perform the service of Auto Transport Broker. If a Carrier is assigned to your order and then you cancel your order, for any reason, a \$75 fee must be paid to the Carrier for gas, logistics and lost fees.

15. Auto Shipping Group Inc. is a licensed and bonded Property Broker. WE are responsible for booking the shipment of cars with a licensed and insured Motor Carrier Corporation, who handle their own damage claims. It may take a few weeks to process your claim, since the drivers must return to their terminals with the original Bill of Lading condition reports. Auto Shipping Group Inc. does not transport your vehicle or ensure it's transport. Auto Shipping Group Inc. provides the services of finding a licensed (by the Dept. of Transportation) & insured (we personally call the insurance company of the Carrier prior to dispatching the order) Auto Transport Carrier and logistically bringing the Carrier and the Customer together.

16. Auto Shipping Group Inc. will not be responsible for demurrage at any Port Facilities.

17. By submitting your order online, Auto Shipping Group Inc. understands you are placing your order and accept the terms and conditions (in lieu of your signature) found here and on Auto Shipping Group Inc. web site. By sending a faxed check to Auto Shipping Group Inc. OR by giving your Credit Card information to Paypal OR one of our representatives to book your order with us, you are agreeing to all of these Terms & Conditions.

18. Customers must make their vehicle available during the transport time, if the vehicle becomes unavailable at any time after the order has been place and a carrier has been assigned, Auto Shipping Group Inc. holds right to cancel the order and proceed with the cancellation policy.
